

2009 GNOT Regional Final

The 2009 Regional final of the Grand National teams will be held on
Sunday 30th August, at the St Vincents Bridge Club

Time: 9.30am start, finishing about 5.30pm, with a lunch break.
Format: 6 x 8 board matches
Director: Phil Gue
Venue Address: Rotary Hall, Brixton Street, Christies Beach
Lunch Arrangements: Players are asked to bring their own lunch. St Vincents will provide tea, coffee and biscuits and some other light snacks.

We invite as many teams as possible to enter.

Each club is entitled to 3 teams in the Regional Final for 2009

However, if any club would like to nominate more, please contact Phil Gue as soon as possible, giving details of how many teams played in the club's qualifying rounds. Clubs will be able to nominate extra teams up to a total of 50% of their club heat entries.

Could you please send Phil Gue (preferably by e-mail at adelaidebridge@ozemail.com.au) a list of player's names for each team from your club, by Friday 28th August 2009.

Please remember that when running GNOT heats at your club an entry fee equivalent to \$10/ team is payable to the ABF Secretariat, along with details of the Club and number of teams competing in the event.

Could you please let Phil Gue know how many teams entered your club heat. This will assist him when allotting places in the Regional Final.

The entry fee for the regional final will be \$100 per team, payable to the SABF. This may be offered as the prize by the Club for winning the qualifying, or paid by the players themselves. It is up to each club to decide.

The winning team will have their entry fee (\$660) and subsidies equivalent to the (cheapest) airfare from Adelaide to the Gold Coast (Coolangatta airport) paid. The National Final is held at Banora Point (Tweed Heads) on the weekend of November 27th – December 1st. The names of the winning teams will be sent to the Convener of the GNOT so that he is aware of who will be claiming reimbursement for airfares.

Should you require any further information, please contact Phil Gue at ABC on 8379 2044 or Dianne Marler on 8116 7282(W) or 0414 689 620.

We wish you every success with this event.
