South Australian Bridge Federation Inc Profit & Loss Statement and Balance Sheet.

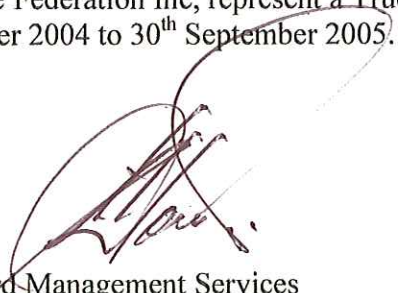

I refer to your instructions in relation to my office attending to verification of the South Australian Bridge Federation Inc statements as above for the period 1st October 2004 to 30th September 2005 and advise that I have now completed this undertaking .

It should be noted in the verification of the financial statements I have taken to account the various records provided by you together with any explanations required by me in response to any queries raised.

Further, it is advised I have sighted and checked your Profit and Loss Statement, cross checked the receipts & payment substantiation records provided by you against cheque butts and deposits recorded in the National Australia Bank Cheque Account and confirm as being correct the reconciled Bank Balance as at 30th September 2005. I concur that the Bank error of 45 cents on 14th June 2005 should be written off.

Trial Balances brought down and Balance Sheet preparation for the period further reflects an accurate summary of the years activity.

On this basis and in accordance with normal accounting practice, it is therefore my opinion the Financial Statements for submission to the members of the South Australian Bridge Federation Inc, represent a True and Fair view of activities during the period 1st October 2004 to 30th September 2005.
